EDUCATION

SRM Institute of Science and Technology, Chennai   *Sep 2020 - Jun 2024*
BTech, Computer Science   **CGPA: 9.03**

Sri Chaitnaya Junior College, Vijayawada   *Jun 2018 - Apr 2020*
Class XII - MPC   **CGPA: 9.73**

EXPERIENCE

SDE Intern | iTD | Hyderabad   ***Nov 2024 - Present***
- Built responsive, scalable web applications using React.js, Next.js, and Tailwind CSS, collaborating closely with product and design teams.
- Integrated APIs, optimized performance, and contributed to both internal tools and client-facing features for improved UX.
- Participated in Agile workflows, code reviews, and deployments while using Git for version control and team collaboration.

PROJECTS

Pitch Startup   ***Next.js, Node.js, NextAuth, RESTful API***
- Built a responsive, high-performance UI for a startup pitching platform using React, Next.js, and shadcn/ui, boosting user engagement by 40%.
- Implemented GitHub OAuth with NextAuth and integrated Pinata for decentralized image uploads (up to 10MB), improving performance and user retention.
- Delivered a fully functional MVP in 4 weeks within an Agile team, emphasizing accessibility, mobile-first design, and consistent UI/UX across devices.

PokeDex   ***React.js, Tailwind CSS***
- Developed a responsive Pokédex web application using React and Tailwind CSS, utilizing component-based architecture for scalable and maintainable code.
- Improved user retention by 30% and increased session duration by 20% through intuitive UI design, seamless routing (React Router), and enhanced navigation flow.
- Optimized API call structure to reduce latency, decreasing data load times from 8 seconds to 2 seconds and resolving key drop-off issues during interactions.

SKILLS

Technical Skills:	C++, CSS, HTML, JavaScript, Node.js, SQL, Git
Familiar with:	Core Java, Next.js, React.js, Tailwind CSS, Docker
Databases:	MongoDB, MySQL
Industry Skills:	Data Structures and Algorithms, Object-Oriented Programming (OOP)
People Skills:	Communication, Decision-Making, Leadership, Teamwork

ACHIEVEMENTS

- Solved **600+** coding problems across various platforms.
- Secured **5th** position out of 50+ teams in DevFolio Hackathon.
- Organized and led **2+** coding competitions within the college community.
- Acted as a volunteer for various coding events and programs, contributing to their success.

CERTIFICATIONS

- **C++ Certification** - issued by Udemy.
- **Web development** - issued by Udemy.
- **Database Foundation** - issued by Oracle Academy.
- **Core Java** - issued by Sololearn.
